Shock Is Fatal for Worker Here

The death of a man whose body was found in the attic of a residence Saturday morning was said by the coroner to have been causd by electrocution.

Police reported that Philip Geraci, 42, 2201 Green Acres rd., Metairie, was installing electrical equipment in the attic at 2451 Prentiss. When the occupant, Orville Garner, went to the attic to offer Mr. Geraci a drink of ice water, he found him lying face down on the floor.
